I just found out and was shocked to hear. So sorry for your loss as Doug was a great person and always had a funny joke to share.

My heart goes out to the family.

Tribute from Susan Barth

Relation: Friend

Sharon, Jason, Buddie and Fred -

I was so saddened to hear about Doug's passing. He was a good man; those are not words I use lightly. When I worked at Outreach, he would come in now and then to pick my brain or even more often, to challenge me. He always made me think and I enjoyed our conversations. Sharon, he always spoke so lovingly of you... literally each time I spoke with him. I always found it so inspirational, to hear how much he loved you and how devoted he was. He didn't claim to be a perfect husband but he knew just how lucky he was to have you. Please know that I'm thinking of you all.

~Susan
