**Tribute from Chris Buck**

Relation: Burt was the pro at Redwood Meadows when I was a member in the late seventies.

Patsy so sorry to hear of Burt's passing, he was one of the really good guys. I will always remember the great times at Redwood with Burt as the pro when the club first started. He was so easy to work with when we all got the Men's Club going.

Burt was a model for how a pro should conduct himself with the members. He will be missed!
