**Tribute from James Atwood Hirsche**

Relation: John & I were BOTH in the RCMP together - in fact the same Troop - & we've maintained contact since 1967.

Dear John & family --- Thank you for the beautiful Xmas Card & the news of Karen is needless to say ===== overwhelming. She was a terrific person & will be missed enormously. In less than 3 weeks it will be 8 years since Marina left us so we know how you're feeling. Remember the happy times & the memories ---- it's NOT a perfect fix ---- but it does help get a person thru when you have difficult times -- you will always have thoughts of Karen each & every day & that is like having a million dollars in your hand. Sincerely Jim Hirsche & family from Surrey, BC.
