Tribute from Danielle

Relation: Granddaughter

I thought of you today,
but that is nothing new
I thought about you yesterday
And days before that too
I think of you in silence,
I often speak your name
All I have are memories and
your picture In a frame
Your memory is a keepsake
from which I'll never part
God has you in his arms,
I have you in my heart

Tribute from Jill and Ray

Relation: Grew up with Martin

The service was beautiful. Although there were many tears how blessed are we all to know beyond a shadow of a doubt that she will now reside in Paradise forever. Jill cannot think of Margaret without a smile on her face. As odd as it may sound they say "Smell evokes the strongest memories". I can smell her Sunday roast beef dinner as if it was yesterday although it was 45 or so years ago. God Bless and give peace to the whole family. It is an honor to have known Margaret as it is to know all of the Gibbons clan.

With much love and prayers,
Jill and Ray

Tribute from Patricia Gibbons

Relation: Daughter

For the woman I am proud to call my Mom.

I'm blessed to have had to many wonderful years with my Mom

Although our mortal relationship has come to an end our spiritual journey has just begun. I now can talk with her every day, walk with her every day. In a moment of deep sadness that I experienced last week I'm almost sure that I could feel her spirit wrap around me & calm me. Maybe wishful thinking OR.....

Mom was always there when you needed her most....ready to listen, understand, comfort. She'd be the one to wipe away tears or giggle playfully - whatever was appropriate.

She loved the sunshine & spread the sunshine with her winning smile and contagious laugh.

Your skin so soft, your eyes so bright, your grip so tender. I will cherish our final cuddles & smile up at you each day.

I will also hold dear the very special relationship that she & my Dad shared. Few among us can compete with an enduring marriage such as theirs. Through all the joys & turmoils of life they faced the world together, soul mates to the end. And a special thank you to my Dad for all you did for her. Be strong. We are here for you. We can ask you to lean of us but know that's not really your style.

I loved you then, I love you now & I'll love you forever in eternity.

Your loving & admiring daughter, Patricia Margaret
