#### **Tribute from Kathleen Mulholland**

Relation: He was my uncle-Im Georges daughter

It is with sympathy and deep regret that we learned of the death of my uncle Patrick. My father often talked of Patrick about their childhood days and growing up in Maghera. I truly regret not being in touch over the years but distance often does that to families. Apart from losing my mother and father I have lost 5 brothers over the years and I know more than most the pain of losing a loved one. I write this on behalf of my surviving siblings=Patsy=George=Jimmy=Viona=Rosemary=Willie John=Joseph and Eamon.. May uncle Patrick Rest in Peace.
